DIGITAL TRANSFORMATION CONCLAVE 2022

In a Changed World - Moving Towards the Next Normal

Mark the Date: 18th May 2022

Venue: Mövenpick Hotel Karachi

ABOUT DIGITAL TRANSFORMATION CONCLAVE 2022

In a changed world moving towards the Next Normal, digital transformation itself is changing, bringing in a new chapter where organizations and their CEOs are reprioritizing their agendas. The challenge is clear. Winning in the next normal means focusing on addressing new customer requirements, developing new capabilities, and building digital infrastructures that support resilient operations and pervasive experiences in the new digital economy.

On the heels of our largest year for nominations yet, a digital pivot of the Digital Transformation Conclave is expected to yield the largest number of participants across the industry, allowing delegate engagement like we've never seen before. The event is to help the eco system to build and adopt technologies and processes to achieve the end state of becoming an Exponential Organization.

Key Topics:

- ◉ How Superapps Will Shape the Financial World
- ◉ Digitized Products & Services
- ◉ Creating Value with Digitalization in the Healthcare industry
- ◉ Banking Transformation
- ◉ The Future of Partnerships and Collaborations
- ◉ Business on Agile Automation
- ◉ Rising Digital, Hidden Hackers
