PROFESSIONAL EXPERIENCE:

Mr. M. Fahad Khan is an Agile coach and keynote speaker at the company he works for; Charles Schwab A Fortune 500 company with 50 years of history and success under its belt.

Mr. Khan is an IT industry expert with a master's degree in Computer Software Engineering who possesses an in depth understanding of the coaching and software development processes. He is a bilingual team-driven Senior Scrum Master/Agile coach. He also has a background in mentoring and training capable teams to achieve project goals and meet deadlines in an Agile development environment. He has also been a keynote speaker in various national/international conferences and workshops.

Fahad is also a qualified Scrum consultant with 14 years of extensive experience in the IT industry. He was also the recipient of a gold medal at his university graduation. After years of working on numerous IT projects, Fahad decided to fully immerse himself in the world of Agile transformation. Today, he has been working full time for 8 years as an Agile Coach and Scrum master.

His previous endeavors in the field of Agile coaching include a 2 years stint at Software Studio 365 where he managed 5 Scrum teams, including 2 that were based in Pakistan. His next journey took him to Childcare CRM where he managed 3 teams over the course of 2 years and guided them on how to adapt to the Scrum framework. Currently, he works at JCPenney as their Agile coach and is managing 40 people who have been divided into 6 teams, including two offshore teams based in Bangalore India.

Fahad has set up the foundation and implementation of the Agile framework in multiple companies that are based in the US. Furthermore, he has also conducted virtual workshops in countries across the globe. He is a highly regarded professional in his industry and has a personal ambition of helping accelerate the Agile transformation worldwide.

As an Agile coach, he provides oversight for project designers, developers, Product owners, scrum masters and architects to ensure that all the elements are coherent, precise and accurately implemented.

Mr. Khan believes that with true alignment and solid execution, amazing things can be accomplished. Keeping this in mind, he has devised a series of seminars where you can leverage coaching skills to be the best Agile Coach/Scrum master that you can be. He has conducted workshops and training sessions on Agile, Scrum and SAFe, around the world. So far, his workshop locations include the USA, Pakistan, UAE, India, Saudi Arabia and the UK.
